

MY WORLD IN 10 OBJECTS EXHIBITION APPLICATION FORM

Proposals should be received by Friday, June 15, 2018, at 5:00 p.m.

In conjunction with its 2018 summer reading program “Reading Takes You Everywhere,” Princeton Public Library (PPL) is seeking proposals for a patron-created exhibition. Patrons of any age in the wider community as well as local businesses or cultural institutions are invited/encouraged to curate an exhibit of 10 items, along with labels and other images (maps, etc.), that communicate a sense of the exhibitor’s “world” to library patrons. The things that constitute “the world” for each of us differ based on our experiences, our interests, and our physical circumstances and travels. Objects selected should be meaningful, engaging, and convey a sense of variety and breadth.

Each display will be scheduled for 1 week at PPL, between Monday, June 11 and Saturday, July 28, 2018. Displays should be delivered to PPL one week before display date (to be determined with PPL) and should be picked up by curator within one week after display ends.

** Completion of this form does not guarantee your proposal will be accepted for display at PPL. Final approval will be determined by the PPL Curator and Head of Youth Services. **You will be contacted by e-mail or phone call of your approval by Wednesday, June 13, 2018.** Approved exhibitors will be provided with a PPL tote bag in which they may bring their objects (and may keep the bag when objects are returned as a thank-you from Princeton Public Library).
