January 14, 2020

Dear Friends of the Princeton Public Library,

It is time to renew, or start, your membership in Friends of the Princeton Public Library.

In 2020, as part of your paid membership dues, you are invited to a special preview of books that will be available for sale at the March 2020 book sale. The preview is Wednesday, March 18, 2020, 4-7pm in the book sale room at the library. This preview is open only to Friends who have paid their dues by MARCH 15, 2020.

The Friends book sales are the primary fund raising opportunity for our group. Each year we are very fortunate to have the cooperation of the library staff. The times for the March sales are Thursday, March 19, 10am-8pm, Friday, March 20, 10am-5pm, Saturday, March 21, 10am-2pm (also Bag Day). The other book sales for 2020 will take place in July and November.

Due to your continued support of our membership and book sales we were once again able to present the library with a check to support their projects and programs. In addition the Friends group made a gift of books to K, 1<sup>st</sup> and 2<sup>nd</sup> graders student in the public and private school in Princeton.,

The Friends could not do these activities without your continued donations of gently used books, puzzles, games and CDs. And thank you, too, for our donations of times to make these events a success.

Sincerely,

Carol Bird, Karen Towns, Linda Englehart

Membership committee

\*The Friends continue their request for paper handled bags of any size and design; they can be left at the library in the cart where donated books are placed.
