***The Art of Ann Templeton: A Step Beyond* - Michael Chesley Johnson and Ann Templeton; supporting artists, William F. Reese and Walt Gonske**

***The Art of Ann Templeton*** explores the world and work of Ann Templeton. With over 120 full-color plates, the book illustrates her use of materials and techniques, her travels, and her approach to workshops, as well as her take on what it is to live the life of an artist. Primarily a plein air painter, Ann Templeton has developed techniques over 30 years of painting to capture the landscape quickly and to interpret it with her unique vision of color and design. She has introduced many students to her award-winning techniques in workshops she has taught. Her studio is in Ruidoso Downs, New Mexico.

***Broke Millennial Talks Money: Scripts, Stories, and Advice to Navigate Awkward Financial Conversations* - Erin Lowry**

"A comprehensive guide to talking about money in every aspect of your life, including at work, with friends and family, and in relationships, from the author of the ***Broke Millennial*** series".

***Chasing Me to My Grave: An Artist's Memoir of the Jim Crow South* - Winfred Rembert, as told to Erin I. Kelly, with foreword by Bryan Stevenson**

"A self-taught artist's odyssey from Jim Crow era Georgia to the Yale Art Gallery--a stunningly vivid, full-color memoir in prose and painted leather, with a foreword by Equal Justice Initiative founder Bryan Stevenson. Winfred Rembert grew up as a field hand on a Georgia plantation. He embraced the Civil Rights Movement, endured political violence, survived a lynching, and spent seven years in prison on a chain gang. Years later, seeking a fresh start at the age of 52, he discovered his gift and vision as an artist, and using leather tooling skills he learned in prison, started etching and painting scenes from his youth. Rembert's work has been exhibited at museums and galleries across the country, profiled in the New York Times and more, and honored by Bryan Stevenson's Equal Justice Initiative. ***In Chasing Me to My Grave***, he relates his life in prose and paintings--vivid, confrontational, revelatory, complex scenes from the cotton fields and chain gangs of the segregated south to the churches and night clubs of the urban north. This is also the story of finding epic love, and with it the courage to revisit a past that begs to remain buried, as told to Tufts philosopher Erin I. Kelly".

***Color and Beyond* - Ann Templeton; written by Eugene L. Mendonsa Ph.D.**

A how-to book for artists of all levels. The author shares her expertise and her painting processes, and explores inspirations from throughout her career. She includes lessons on color, value and design, and discusses en plein air painting vs. indoor painting.

***Finding Me* - Viola Davis**

This is Viola Davis' story, in her own words, and spans her incredible, inspiring life, from her coming-of-age in Rhode Island to her present day. Hers is a story of overcoming, a true hero's journey.

## ***Hello Molly! - Molly Shannon***

A candid, hilarious, and heartbreaking memoir of resilience and redemption by comedic genius Molly Shannon. At age four, Molly Shannon's world was shattered when she lost her mother, baby sister, and cousin in a car accident with her father at the wheel. Held together by her tender and complicated relationship with her grieving father, Molly was raised in a permissive household where her gift for improvising and role-playing blossomed alongside the fearlessness that would lead her to become a celebrated actress. From there, Molly ventured into the wider world of New York and Los Angeles show business, where she created her own opportunities and developed her daring and empathetic comedy.

Filled with behind-the-scenes stories involving everyone from Whitney Houston to Adam Sandler to Monica Lewinsky, many told for the first time here, ***Hello, Molly!*** spans Molly's time on Saturday Night Live - where she starred alongside Will Ferrell, Adam Sandler, Cheri Oteri, Tracy Morgan, and Jimmy Fallon, among many others. At the same time, it explores with humor and candor her struggle to come to terms with the legacy of her father, a man who both fostered her gifts and drive and was left with the impossible task of raising his kids alone after the loss of her mother. Witty, winning, and told with tremendous energy and heart, ***Hello, Molly!***, written with Sean Wilsey, sheds new and revelatory light on the life and work of one of our most talented and free-spirited performers.

## ***How to Keep House While Drowning: A Gentle Approach to Cleaning and Organizing - KC Davis, LPC***

"For anyone tired of staring at the same mess every day but struggling to find the time and willpower to fix it, popular therapist and Tiktok star KC Davis presents a revolutionary method of cleaning to end the stress-mess cycle".

## ***Lies My Mother Told Me: Tall Tales from a Short Woman - Melissa Rivers***

"If you think Joan Rivers said funny, outrageous, and ridiculous things ONSTAGE, wait 'til you read the funny, outrageous, and ridiculous things she said OFFSTAGE...things that will make you laugh out loud...and keep Melissa in therapy for the foreseeable future. The only thing my mother loved more than making people laugh was lying...or as she'd say, "embellishing." Her motto was: "Why let the truth ruin a good story?" This book contains some of those stories".

## ***Milk and Honey - Rupi Kaur***

***Milk and Honey*** is a collection of poetry and prose about survival. About the experience of violence, abuse, love, loss, and femininity. The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. ***Milk and Honey*** takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look.

## ***Notes from the Upside Down: An Unofficial Guide to "Stranger Things" - Guy Adams***

"If you devoured Stranger Things on Netflix and you're looking to fill the demogorgon-sized hole in your life, then look no further than ***Notes from the Upside Down***. This fan-tastic guide has every fact you could ever wish for--from insights into the origins of the show, including the mysterious Montauk Project conspiracy theory; a useful eighties playlist (because, of course); and much more."

### ***Outlander Kitchen: The Official Outlander Companion Cookbook - Theresa Carle-Sanders***

"Professional chef and founder of **Outlander Kitchen**.com Theresa Carle-Sanders offers up this extraordinary cuisine for your table. Featuring more than one hundred recipes, "**Outlander Kitchen**" retells Claire and Jamie's incredible story through the flavors of the Scottish Highlands, the French Revolution, and beyond. Following the high standards for prodigious research and boundless creativity set by Diana Gabaldon herself, Carle-Sanders draws on the events and characters of the novels to deliver delicious and inventive dishes that highlight local ingredients and traditional cooking techniques."

### ***Out of the Corner - Jennifer Grey***

"A deeply candid and refreshingly spirited memoir of identity lost and found-from the star of the iconic film Dirty Dancing".

### ***Verses Captive: Poetry and Prose - Marian Wilkinson Wolf***

In her beautiful potpourri of literary gems, Wolf presents a bouquet of seasons, harvests the charm of nature, and holds captive the cherished moments of time.

### ***A Vindication of the Rights of Woman - Mary Wollstonecraft***

Third critical edition.

"Backgrounds and Contexts," significantly expanded, contains twenty-four works, spanning a period from the seventeenth to the nineteenth centuries, that are organized thematically into four sections: "Legacies of English Radicalism," "Education," "Wollstonecraft's Revolutionary Moment," and "The Wollstonecraft Controversy." These writings, by John Milton, John Locke, Mary Astell, Jean-Jacques Rousseau, Hannah More, and Edmund Burke, among others, bring to view the intellectual world that nurtured Wollstonecraft's political vision, the constructions of proper womanhood that she had to negotiate, and the controversy that

her manifesto for a "revolution in female manners" ignited.
