### ***Live, Laugh, Kidnap - Gabby Noone***

### ***Mamo - Sas Milledge (graphic novel)***

Orla O'Reilly, the youngest in a long line of hedge witches, is compelled to return home after the death of her grandmother, Mamo. In the wake of her Mamo's passing, seas are impossible to fish, crops have soured, even Jo Manalo's attic is taken over by a poltergeist! And to make matter worse it appears that the cause is Mamo, or her mislaid bones that is. Can Orla shoulder the responsibility of quieting her Mamo's spirit, saving her hometown, and will she have to step up as the new witch of Haresden like Mamo always wanted?

### ***Tin Man - Justin Madson***

"In Justin Madson's debut graphic novel, Tin Man, a girl and her brother befriend the titular Tin Man with unexpected results. Solar is in her last year of high school and is reeling from the recent death of her grandmother. She has abandoned her plans for the future and fallen in with a bad crowd. Her little brother, Fenn, doesn't understand why she's changed--she doesn't even want to help him build their rocket in the garage anymore. Campbell is a tin woodsman--a clunky metal man whose sole purpose in life is to chop down trees. He longs for more, however, and decides to seek out a heart, believing that, with one, he will be able to feel things he has never felt before and, therefore, change his life."
