

FRIENDS OF THE PRINCETON PUBLIC LIBRARY
698 East Peru St.
Princeton, IL 61356

February 1, 2023

Dear Friends of the Princeton Public Library,

It is time to renew, or start, your membership in Friends of the Princeton Public Library. We have already experienced another eventful year. It is with hope that in the upcoming months we shall continue to see our communities returning to prior normalcy with scheduled events taking place in our library including our annual book sales.

We have set our opening book sale for March 2023, but please continue to check the library web page for any announcements concerning the dates and times.

In 2023, as part of your paid membership dues, you are invited to a special preview of books that will be available for sale at the March 2023 book sale. The preview is open only to Friends who have paid their dues by MARCH 5TH, 2023. Dates and times for the March sale are as follows:

PREVIEW FOR FRIENDS ONLY WEDNESDAY, MARCH 15, 2023 - 4PM-6:30 PM

March 16, 2023: 10am-6pm

March 17, 2023: 10am-5pm

March 18, 2023: 10am-2pm

Due to your continued support of our membership and book sales, we were once again able to present the Library with a check to support its projects and programs. In addition, the Friends group made a gift of books to K, 1st, and 2nd grade students in both the public schools and a private school in Princeton.

The Friends could not do these activities without your donations of gently used books, puzzles, games, and CDs. And again we encourage you to please answer our request for the donation of your time working at the sales to make these events a success in 2023.

Sincerely,

Linda Englehart, Sue Howard, Lani Swinford, and Karen Towns Membership Committee

*The Friends continue their request for paper handled bags of any size and design; they can be left at the library in the cart where donated books are placed.
