

## January 2023 New DVDs

### The Banshees of Inisherin

Two lifelong friends find themselves at an impasse when one abruptly ends their relationship, with alarming consequences for both of them.

### 1883, A Yellowstone Origin Story (on Blu-Ray)

From creator, Taylor Sheridan comes a prequel to Yellowstone. It follows the original Dutton family as they embark on a journey west through the Great Plains toward the last bastion of untamed America. It's a stark retelling of Western expansion, and an intense study of one family fleeing poverty to seek a better future in America's promised land Montana.

### House of the Dragon, Season 1

"Set 200 years before the events of Game of Thrones, the series finds the Targaryens ruling over the Seven Kingdoms -- and on the brink of civil war within their own house. Prior to the birth of a son, King Viserys sent shockwaves through the kingdom and declared his daughter, Rhaenyra, his heir. Once a healthy boy entered the picture, plans were afoot to make sure she would never sit on the Iron Throne. Now, with schemes hatched on both sides -- and the kingdom in the balance -- viewers will see the house that dragons built and learn how they tore it all down".

### Jerry and Marge Go Large

When retiree Jerry Selbee discovers a mathematical loophole in the Massachusetts lottery, he and his wife Marge go on an exciting multi-million dollar winning spree to revive their small Michigan town. But when a selfish college student cheats the system, Jerry must find a way to make the game fair for all.

### Lyle, Lyle, Crocodile

It's hard enough to adjust to a big move -- even harder when it's to New York City -- and harder still when there's a singing crocodile living in your attic! Josh Primm isn't making friends easily, so he's glad that Lyle is willing, but their menacing neighbor is determined to rid the neighborhood of the reptile.

## Reacher, Season 1

When retired Military Police Officer Jack Reacher is arrested for a murder he did not commit, he finds himself in the middle of a deadly conspiracy full of dirty cops, shady businessmen, and scheming politicians. With nothing but his wits, he must figure out what is happening in Margrave, Georgia. The first season of *REACHER* is based on the international bestseller "Killing Floor" by Lee Child.

## Roald Dahl's Tales of the Unexpected, Set 1

Twenty-five episodes inspired by the dark humor of Roald Dahl, this series of brilliantly written and acted standalone suspense stories was an instant hit that became an international phenomenon that starred a cavalcade of top stars. Seasons 1 & 2.

## Star Trek Discovery, Season 4

Season Four finds Captain Burnham and the crew of the U.S.S. Discovery facing a threat unlike any they've ever encountered. With Federation and non-Federation worlds alike feeling the impact, they must confront the unknown and work together to ensure a hopeful future for all.

## Tár

Set in the international world of classical music, the film centers on Lydia Tár, widely considered one of the greatest living composer/conductors and first-ever female chief conductor of a major German orchestra.

## Ticket to Paradise

A divorced couple teams up and travels to Bali to stop their daughter from making the same mistake they think they made 25 years ago.

## Torchwood: Children of Earth

The Torchwood team is faced with their fiercest threats to date - one which throws the future of Torchwood and the entire human race spiraling into danger. They battle against the odds but do they stand a chance of saving mankind?

## The Woman King

The remarkable story of the Agojie, the all-female unit of warriors who protected the African Kingdom of Dahomey in the 1800s with skills and a ferocity unlike anything the world has ever seen. Inspired by true events, it follows the emotionally epic journey of General Nanisca as she trains the next generation of recruits and prepares them for battle against an enemy determined to obliterate their way of life. Some things are worth fighting for.
