Bloodmarked - Tracy Deonn

"When the leaders of the Order reveal that they will do everything in their power to keep the approaching demon war a secret, Bree and her friends go on the run so she can learn how to control her devastating new powers".

Hanged! Mary Surratt and the Plot to Assassinate Abraham Lincoln - Sarah Miller

"The thrilling story of Mary Surratt, the first woman to be executed by the US government for her alleged involvement in the plot to assassinate Abraham Lincoln".

Highly Suspicious and Unfairly Cute - Talia Hibbert

"From the New York Times bestselling author of the Brown Sisters trilogy, comes a laugh-out-loud story about a quirky content creator and a clean-cut athlete testing their abilities to survive the great outdoors--and each other. Bradley Graeme is pretty much perfect. He's a star football player, manages his OCD well (enough), and comes out on top in all his classes . . . except the ones he shares with his ex-best friend, Celine. Celine Bangura is conspiracy-theory-obsessed. Social media followers eat up her takes on everything from UFOs to holiday overconsumption--yet, she's still not cool enough for the popular kids' table. Which is why Brad abandoned her for the in-crowd years ago. (At least, that's how Celine sees it.) These days, there's nothing between them other than petty insults and academic rivalry. So when Celine signs up for a survival course in the woods, she's surprised to find Brad right beside her. Forced to work as a team for the chance to win a grand prize, these two teens must trudge through not just mud and dirt but their messy past. And as this adventure brings them closer together, they begin to remember the good bits of their history. But has too much time passed . . . or just enough to spark a whole new kind of relationship?"

Nick and Charlie: A Heartstopper Novella - Alice Oseman

"Absence makes the heart grow fonder ... right? Everyone knows that Nick and Charlie love their nearly inseparable life together. But soon Nick will be leaving for university, and Charlie, a year younger, will be left behind. Everyone's asking if they're staying together, which is a stupid question... or at least that's what Nick and Charlie assume at first. As the time to say goodbye gets inevitably closer, both Nick and Charlie start to question whether their love is strong enough to survive being apart. Charlie is sure he's holding Nick back ... and Nick can't tell what Charlie's thinking. Things spiral from there. Everyone knows that first loves rarely last forever. What will it take for Nick and Charlie to defy the odds?"

Whiteout - Dhonielle Clayton, Tiffany D. Jackson, Nic Stone, Angie Thomas, Ashley Woodfolk, and Nicola Yoon

In Atlanta, just before Christmas, twelve teens band together to help a friend pull off the most epic apology of her life during the storm of the century, which results in a magical moment that changes everything.
