

Princeton Public Library Cafe Sponsorship Program for 2024

The Princeton Public Library is partnering with local groups and businesses to sponsor the cafe. Sponsorships are available for \$300 on a monthly basis for 2024.

The Princeton Library Cafe is a community hub for many patrons in and around the city of Princeton. We are proud to be the only cafe in town where customers can checkout books, CDs, DVDs and magazines, send or receive faxes. We offer free computer use and wifi, and provide great meeting and study spaces. As a 501(c)(3) sponsorship is tax deductible. For additional information, please see our website at www.princetonpl.org or e-mail help@princetonpl.org.

All sponsors will be acknowledged through:

- Sponsor banner prominently displayed above the menu in the cafe
- Placement on the program kiosk monitor
- Announcement of the sponsorship on Facebook and the library website
- Distribution of sponsor's literature distributed at cafe

As a sponsor, you would receive:

- recognition for contributing to the community in an active and comfortable environment
- association with an established, well-respected and trusted institution
- exposure to an average of over 4,500 library patrons per month
